# ABOUT FV

FUTURE VARSITY (FV) is a specialised education provider that offers career-oriented programmes designed and delivered in collaboration with the best education institutions in the world.

The flexible programmes offered here assist students to complete their degrees without compromising learning outcomes. These institutions offer programmes that use blended learning models integrating several forms of instruction to deliver effective training to learners' requirements.

FUTURE VARSITY provides an immersive learning experience by consistently grooming its learners through mentorship by industry experts, bringing them up to par with industry and academics.

## ABOUT GAPA

Global Academy of Professional Accountants (GAPA) is an institute dedicated to the effective development of highly professional individuals in Accountancy and Finance. We are focused on creating value and providing the highest quality training with industry relevance to our students. We underpin learning with pertinent theories that are embedded with real life practices to help you understand the operation of Finance and Accounting. Our programmes offer numerous practical applications without compromising their academic standards. We use case studies, thought provoking scenarios, and group work to give learners a head start in the real world.

With the mission of mentoring students as they prepare for the fast-paced CA and other professional courses, GAPA strives to do justice to the years of hard work by supplementing their coaching with Degree & Diploma programmes. These courses prepare students for the lucrative world of finance and provide them with new opportunities to step out as financial managers, and capital and securities specialists among others.

## VISION

Our vision is to transform the world through education by fostering the development of global citizens with strong moral values and integrity. These individuals will be dedicated to the betterment of both the nation and the world. We aim to empower the youth of our nation with the skills and knowledge necessary to make a positive impact on society and contribute to a better world for all.

## MISSION

Our mission is to introduce new age career programmes, create valuable opportunities, and provide a multidisciplinary & practical approach towards education. We strive to empower the next generation of leaders, entrepreneurs, and innovators to make a positive impact on global socio-economics.

## VALUES

- Excellence in Teaching and Learning
- Innovation and Creativity
- Diversity and Inclusivity
- Global perspective
- Social Responsibility
- Ethical Conduct
- Professional Development
- Collaboration

# VISION OF THE MENTOR AT GAPA

The vision of the mentor at GAPA, BBA (Hons), is to provide unparalleled guidance and support to students pursuing professional accountancy and financial management. The mentorship programme at GAPA aims to:

## **Mentor Students for Success:**

The mentor's vision extends beyond specific examinations to cultivate a well-rounded educational experience. By providing guidance and support, the mentor aims to help students excel academically while nurturing the skills and qualities essential for success in diverse professional fields. The focus is on empowering students to navigate challenges, develop critical thinking, and embrace a lifelong learning mindset. Through personalised mentorship, students are encouraged to explore their passions, set ambitious goals, and build a strong foundation for a successful and fulfilling career.

## **Hands-on Professional Training:**

The mentor's vision includes offering hands-on professional training under the guidance of industry experts. This approach prepares students for academic success as well as practical challenges in the fields of accountancy and financial management.

## **Strategies for Success:**

The mentor is dedicated to equipping students with the skills and knowledge essential for excelling in the dynamic field of finance. Emphasising a holistic approach, the mentor prepares students for diverse challenges in the financial sector, fostering a deep understanding of financial principles, strategic thinking, and effective decision-making. Beyond the confines of specific professional qualifications, the mentor's guidance extends to cultivating a versatile skill set that empowers students to thrive in various roles within the finance industry. The aim is to prepare individuals for a rewarding and prosperous career, emphasising continuous learning, adaptability, and a strategic mindset.

# INDUSTRY

With India's global reputation as a trusted hub for business and finance, there has been a strong demand for its accounting services and expertise. The sector is now witnessing significant development potential, owing to the rising need for professional services.

# ACADEMIC PHILOSOPHY

All courses have been conceptualised in accordance with the following eight core principles:

## INNOVATIVE

We forge new conceptual pathways through rigorous thinking and critical re-evaluation.

## INTERESTING

We maintain our students' curiosity and interest levels; our education system is designed with an optimal mix of theoretical and practical concepts.

## INDEPENDENT

We aspire to nurture and empower our students to become well-groomed, confident, and successful professionals.

## INTELLECTUAL

We pursue excellence by playing a proactive role in constantly stimulating our students' intellect.

## INSPIRED

We consistently provide challenging opportunities to motivate our students and broaden their horizons.

## IMMERSIVE

We place a stronger emphasis on building relations within the industry. Practical training, internships, and workshops help in collaborating with the corporate world.

## IDEAL

We aim to be recognised as a hub of excellence and strive towards building strong, serviceable, and sustainable relationships within the industry.

## INDIVIDUALITY

We incorporate meticulous and personalised evaluation with ongoing feedback, to ensure our courses are robust and progress is driven.

GAPA uses a variety of learning elements to ensure that the curriculum is both broad and profound to keep students aware of global business advancements and new learning components. GAPA programme ensures the utilisation of pronged approach that emphasises on knowledge, skills, and application.

Get mentored to develop professional competencies for a successful transition into the workplace

Comprehensive curriculum that helps you ace your professional examinations

Sharpen your financial acumen

Pedagogy based on experiential learning

Internship

# Why Choose GAPA for Your Bachelors Degree?

Ready to launch your career in the dynamic world of finance? Look no further than GAPA's Bachelors program! Here's why we should be your top choice:

## Future-Proof Curriculum:

Our programme goes beyond traditional business basics. We equip you with in-demand skills in areas like digital marketing, data analytics, and entrepreneurship, preparing you for the ever-evolving finance job market.

Industry collaborations and guest lectures by leading professionals provide real-world insights and networking opportunities.

Specialisation options in accounting, finance, or taxation allow you to tailor your degree to your specific career aspirations.

## Exceptional Faculty:

Learn from renowned academicians and experienced industry professionals who share their expertise and passion for business.

Small class sizes ensure personalised attention and mentorship, fostering your academic and professional growth.

Regular feedback and guidance from faculty help you excel and stay on track throughout your studies.

## Holistic Learning Environment:

Interactive learning methods like case studies, simulations, and group projects go beyond rote memorisation and develop critical thinking and problem-solving skills.

## State-of-the-art facilities:

State-of-the-art facilities including computer labs, a business simulation centre, and a dedicated library support your learning journey.

## Unparalleled Support:

Dedicated career counsellors guide you in identifying career paths, CV writing, and interview preparation, ensuring a smooth transition from academics to the workplace.

## Strategic Location Advantage:

Study in the vibrant heart of Mumbai, gaining exposure to the city's booming business scene and connecting with potential employers.

More than just a degree, GAPA is an investment in your future. Join our community of passionate learners and ambitious individuals, and get ready to make your mark in the business world.

Contact us today to learn more about our programme and how we can help you achieve your academic and professional goals.

Scholarship and financial aid options make quality education accessible to everyone.

# GAPA ADVANTAGES

## **DIVERSE COURSE OFFERINGS:**

GAPA provides a variety of undergraduate and postgraduate degree, diploma, and certification courses, catering to different academic needs and interests.

## **COMPETITIVE SALARIES:**

Graduates from GAPA enjoy competitive salaries, as evidenced by salary data from various employees associated with the institution.

## **INDUSTRY RECOGNITION:**

GAPA's Global Accountancy Professional Programme (GAPP) is well-recognised, offering a comprehensive pathway for those aspiring to build a career in global accounting.

## **HIGH DEMAND:**

Accounting professionals trained at GAPA are in high demand, providing graduates with promising career opportunities.

## **STABLE CAREER PROSPECTS:**

GAPA graduates benefit from lucrative salaries in the accounting profession, adding financial stability to their careers.

## **GLOBAL PERSPECTIVE:**

GAPA's focus on global accounting ensures that students gain insights into international finance and accounting practices and standards.

## **EXPERIENCED FACULTY:**

Students at GAPA benefit from experienced and knowledgeable faculty members who bring real-world expertise to the classroom, enriching the learning experience.

## **NETWORKING OPPORTUNITIES:**

GAPA provides networking opportunities for students to connect with professionals in the accounting and finance industry, fostering valuable connections for their future careers.

# WHO CAN ENROL?

The programme will help students make the transition to a finance management role, and support those starting new entrepreneurial ventures. The learning journey is specifically designed for participants:

# INFRASTRUCTURE & FACILITIES

## CLASSROOMS

Our institute offers state-of-the-art infrastructure and hi-tech facilities. Our classrooms on all campuses are air-conditioned and equipped with laptops and LED projectors.

## WI-FI CAMPUS

Our campuses are equipped with a Virtual Private Network and high-speed broadband, as technology is the mainframe of education today.

## STUDENT LOUNGE

Special rooms located within college, designed to give students a space for relaxation and study.

## SEMINAR HALL

Equipped with quality sound and picture devices, we conduct screening sessions for our students.

## LIBRARY

Our libraries across all our campuses offer complete access to extensive electronic information resources and they are well-stocked with books, periodicals, and journals.

## ACCOMMODATION

We have tied-up with housing providers offering beneficial amenities, located close to our campuses across all centres. This enables our students to minimise their commute time, and explore the city during their leisure hours.

The word "FINATHONS" is written in a large, bold, white sans-serif font. It is set against a background of various blue and white line-art icons related to finance and business, including a classical building, a calculator, a globe, a bar chart, a pie chart, a clock, and a person at a computer. The icons are arranged in a circular pattern around the text.

# FINATHONS

**FINATHONS** is more than just an inter-collegiate event, it is a celebration of innovation, ambition, and financial expertise. Organised by the students of **Global Academy of Professional Accountants (GAPA)**, **FINATHONS** provides a unique platform for young minds to harness their mental prowess, push boundaries, and seek dynamic solutions to real-world challenges.

This extraordinary event is designed to help participants hone their skills and expand their knowledge in the field of finance. As the lifeblood of business economics, finance is indispensable in both private and public spheres. In today's vibrant and ever-evolving world, understanding finance as both a resource and an academic discipline is crucial for success.

At **FINATHONS**, participants are invited to test their creative skills and embrace thought provoking scenarios that fuel curiosity and innovation. Through a blend of theoretical exploration and practical application, this festival emphasises the importance of finance as a cornerstone of business operations and personal growth.

# Student Development Activities

## **English Proficiency Training:**

Recognised as a global language, English is one of India's official languages. Our English Proficiency Training programme equips students with a strong command of the language, enhancing their social mobility and enabling them to present themselves as confident professionals.

## **Soft Skills Training and Grooming:**

Soft skills encompass communication abilities, personality development, and interpersonal skills. Our training programmes are designed to help students refine these essential skills, improving their overall productivity and providing them with a competitive edge in the global marketplace.

## **Co-Curricular Activities:**

While academic excellence remains our primary focus, we also emphasise the importance of extracurricular engagement. We organise various events, including sports meets, annual celebrations, youth festivals, and community service initiatives, fostering holistic development and enriching the student experience.

## **Placement Cell:**

Our dedicated Placement Cell actively supports students by providing career guidance and placement assistance, helping them navigate their professional journey with confidence.

## **Student Activity Clubs:**

We encourage students to participate in student-led clubs that foster creativity, teamwork, and leadership. These clubs serve as dynamic platforms for students to explore their interests while developing essential collaborative skills.

## **Alumni Cell:**

Our connection with students extends beyond their academic journey. Through the Alumni Cell, graduates can network with industry professionals and fellow alumni. Many of our distinguished alumni have gone on to become successful professionals and entrepreneurs, returning to share their insights through masterclasses and mentorship sessions.

# INFRASTRUCTURE

# STUDENT TESTIMONIAL

**SRUSHTI SHETTY**

Being too into sports, I never thought I would have a professional career in the world of finance. It has become possible due to the guidance provided by none other than GAPA. What most of the CA aspirants dream of, we are here living it. The credit for a successful vehicle belongs to the leader; a great example would be GAPA. I would have missed a great opportunity if I had not been admitted here. Adding two letters (i.e., CA) in front of the name will be possible due to the magnificent four letters GAPA.

**KUSHAL MEHTA**

Joining GAPA institute has been one of the best decisions I have ever made. The small class sizes and dedicated professors have allowed me to receive a personalized education and have truly helped me to thrive academically. The diverse range of extracurricular activities and opportunities for involvement on campus have led me to explore new interests and develop valuable skills. I highly recommend GAPA institute to anyone looking for a well-rounded and fulfilling college experience.

**SHRADDHA GHADSHI**

I was in search of a good college but got enrolled in the best. Global Academy of Professional Accountants (GAPA) became the ray of light for my career. Pursuing CA has been the best call made by me and this call is being guarded by none other than GAPA. Cleared the first hurdle under the guidance of GAPA. Looking forward to a more impactful result in the intermediate level. Could not have dreamed of a better institute. Really grateful for getting a chance to be part of this wonderful institution.

## HETASVI VORA

Joining GAPA was quite a decision for me as I had pursued science since grade 9 in IGCSE board. After much of indecisive thinking, I took admission in GAPA and it was the best decision ever taken by me. GAPA is a platform of proficiency, where you will not only have the bookish knowledge of the course but faculty of GAPA will try their best to make you experience the practical scenario of the real world.

GAPA is a very well designed program where the students pursuing CA will have many benefits as the course of GAPA is aligned with the portion of CA, which will help the student a lot. The faculty at GAPA are very optimistic, benevolent and always understand the situation of student basis which they modify their teaching methodology thus, helping the student to absorb maximum amount of knowledge.

As in for my experience, I am pursuing ACCA and the course of GAPA and ACCA goes lateral with all the subjects with the necessary variations in each subject. For me entering into a completely different stream was very strenuous but all thanks to faculty at GAPA who helped me tremendously with my education and always supporting me mentally and emotionally through my journey.

## AASHVI POKAR

GAPA was like a super interesting adventure in learning about business. The faculties here are awesome and they make tricky stuff fun to understand. It is a great course for students pursuing CA as it is a course supporting CA. Here, both practical and theoretical studies are done at this point. Even all types of festivals and events are celebrated with great joy and enthusiasm. We did cool projects that helped us think smart in the business world.

Faculties here are very friendly and will guide you in a better manner. Getting admission in such a valuable course was a turning point for me. There are no words to express about this course and how grateful I am for being in this course. Every year industrial visits are also conducted for students which is the cherry on the top. The whole team is very supportive and helping. The management here is absolutely amazing. I am profoundly thankful for this course- a journey that surpassed my expectations. The dynamic curriculum, dedicated faculty, and hands-on approach transformed my understanding of business. The invaluable lessons and experiences have equipped me for success, and I am genuinely grateful for the knowledge and skills gained.

### **PRIYANSHU AGARWAL**

GAPA has given us an excellent opportunity by introducing the program, BBA (honours) in Professional Accountancy & Financial Management. Initially, I presumed that it is like a regular BBA (honours) but I was wrong; it serves a lot more than a regular BBA (honours). Most of us believe that a routine graduation and a course like BBA (honours) give us same knowledge but we are wrong. When we pursue a specialised professional course like BBA (Honours) in Professional Accountancy & Financial Management by GAPA, it gives a lot more. For students who feel that they cannot do CA but need some basic, professional and practical knowledge like CA, this course is a blessing. I joined this programme with the same intention but in just six months, after attending the lectures at GAPA, I have developed the confidence to pursue CA.

I wandered through many colleges but could not find a course like this. The best part about GAPA is that they provide CA coaching within the syllabus of BBA (honours) at the same campus, thus saving one's time & energy. It does not stop here; they also provide best opportunity for a student who is planning a career in fields like financial management, securities market, risk management and so on.

### **KUSHAL TRIVEDI**

GAPA and its faculties were a blessing for me. Being a student of science background, it was very difficult for me to cope with my studies when I switched my stream, as my foundation was very weak. Especially in a subject like accounts where basics are of utmost importance, I was feeling clueless, but the faculties helped me build my foundation quickly and motivated me to study even harder which helped me clear both groups of CA Intermediate at the first attempt. Words are powerless to express my gratitude to GAPA and the faculties. I enjoyed every minute of the lectures and the amazing sense of humour of the faculties made it even better, it was the perfect cherry on the top. From the bottom of my heart, I give full credit of my success to my teachers who taught me so well and guided me in the right direction towards a bright future. I will forever be grateful to them.

### **SHREYA DARJI**

My journey of CA FOUNDATION has been remarkable at GAPA. It was tough, exciting, and knowledgeable. I learnt many things during this journey starting from Diploma (CAFC) to FY.B.B.A The Diploma lectures helped me to save a lot of time and energy which I could not have if I had separate coaching classes. I used this time for doing self study, revision which plays very important role in CA exams. I got the college exposure as well which helped me to develop a lot. I am grateful to the teaching faculty at GAPA who are Professionals, which not only gives you theoretical knowledge but also makes you ready to face the real corporate world.

**AKARSH POOJARY**

I'm so grateful to have chosen GAPA for my education. The supportive faculty, state of the art facilities, and vibrant campus life have helped me grow both academically and personally.

GAPA has been a game changer for me. The college's emphasis on hands-on learning, internships, and industry partnerships has given me the skills and confidence to pursue my dreams. The management's focus on student development and success is unparalleled, they provide numerous resources, mentorship opportunities, and guidance to help us achieve our goals and aspirations, their approachable nature creates a warm environment and inculcates a positive mood around even the most monotonous of topics and make it interesting. The management's efforts have helped my cohort enjoy GAPA by making sure there are no obstacles in our way making college a smooth sailing surreal experience

"I would like to extend my sincerest gratitude to GAPA for providing exceptional facilities, expendable academic support, and uncountable opportunities for growth."

**AAKANSHA PODDAR**

Myself Aakansha Poddar. I've enrolled in the Accountancy and Finance degree program at the GAPA institute. It has been one of the best decisions I've made for my career. This course provides similar subjects to what a professional course does which allowed me to pursue it along with a degree hassle free. The curriculum is well-structured and aligns perfectly with ACCA requirements, providing a strong foundation for professional certification. The staffs here are very supportive and kind to me, making my communication easier for needs like notes, attendance, extra doubt lectures, examinations, etc. The experienced and high-profile faculty members are highly supportive and ensure that complex concepts are easy to understand. The program also includes practical case studies and industry insights that enhance both academic learning and real-world application making me industry ready. Thanks to this course, I feel confident and well-prepared to achieve my ACCA qualification and pursue a successful career in finance. GAPA has truly been a place where I've discovered my passions and potential.

# ADMISSION PROCEDURE\*

The admission process helps us select students whose ambitions and abilities align with the accountancy and finance management industry.

By following our step-by-step admission guide, we can understand the students while they can decide which accountancy and finance management programme fits their goals.
